IN MEMORIAM WILFRID J. BEAUSOLEIL

A loyal friend of St. Anne's who in Christian love gave of himself in school and in sports. The Wilfrid Beausoleil Memorial Fund is a living tribute to the memory of a young man whose short life left to others a spirit of faith and kindness.

ADMINISTRATION

OUR PASTORS

Dear student friends,

The publication of your yearbook once again proves in no small measure how attached you are to St. Anne's Sr. High. The work that goes into compiling all information, photos, etc., is an exacting and tedious one. May you be warmly congratulated for your zealous endeavours.

We hasten to thank and congratulate the teaching staff - both religious and lay - for their hard labors and many sacrifices to give the highest learning possible at St. Anne's Sr. High. We see the light burn late at night in the staff room; we notice members of the staff early in the morning at the school. This is what you can call dedication, determination and ... love!

You, my young student friends, are getting the necessary tools to work in your place of calling in the world of today and of tomorrow. We like to believe that you shall never betray the standards proposed to you for higher Christian living. Example is still the best proof that you have understood the principles that our staff has tried to instill in your very

bloodstream. Act according to your beliefs. We like to believe that in a Catholic school you have learned that your conscience will be your guide, and your word will be your bond.

En terminant, mes chers jeunes étudiants, n'oubliez pas que vous en allez dans le monde portant un bagage d'instruction et d'éducation qui sera comme ce phare qui éclaire ceux qui sont dans la noirceur dans ce monde si mêlé. On a besoin de jeunes gens avec des principes compris et mis en pratique. La loi de charité doit nécessairement guider ceux qui se nomment "mes disciples" afin de faire comprendre aux autres la "grande loi de l'amour". Nous tenons à vous féliciter pour votre belle réalisation de votre palmares. Nous vous offrons à vous la jeunesse étudiante, et à ceux qui se sont tant dévoués pour vous, nos plus chaleureuses félicitations et notre humble gratitude et reconnaissance.

FR. Lanoue

St. Anne's Tecumseh

Dear Graduates,

It is with justifiable pride that your parents, teachers and pastors see you graduate from St. Anne's High School which has helped to prepare you for your future.

The knowledge you have acquired, the Christian character you have formed, the devotedness to an ideal you have pursued during your years of study will prove a solid foundation for your continued education and call in life.

May success crown your efforts. May you always be a credit to those who have made sacrifices to encourage and see you through your High School years.

Fellow students,

I would like to take this opportunity to thank those who helped me during the year. Special thanks go to my immediate staff: Marguerite Blanchette, Rita Hayes and Paul Baillargeon, who weathered many a storm with me. The Junior High School and Eleven Five-Year also deserve special consideration for trying to help out financially. Finally, I would like to thank those who helped me one way or another or just offered a shoulder to cry on when I needed one.

Good luck to all!!

Letter From The President

Fellow students,

For several years, St. Anne's has stood as a symbol of active youth in the town. Yet, more than ever, this year has been one of continuous activity. We have proven to ourselves and the people of the community that youth has a purpose and a value in today's world.

Those of us leaving St. Anne's next year take with us the knowledge and remembrances of the past year's activities.

In the future let us hope that we will be able to say: "Yes, I went to St. Anne's."

Sincerely,

Yvette Laforet

A message from Chrysler Canada Ltd. to all you young men and women who will come of driving age this year.

Thrill of a lifetime: First solo in the family car.

Your province says you're old enough to drive.

You have a driver's licence.

Your dad says you can take the car.

You're on your own—no big person to tell you what to do, how to do it, where to go, how fast to go there.

Turn the key—Put'er in drive . . . Step on the gas . . . and let her roll.

What are we waiting for?

• We hope you're waiting for a few words—not a lecture nor a scolding—from a company that makes cars for a lot of dads like yours.

The first time you take out the Family Car you put yourself in the situation that separates Kids, with merely a licence to

drive, from Young Grown-Ups with moral driving responsibility, and mental driving good sense.

You may have the quickest reflexes in your block and 20-20 vision, but if you don't have 50-50 respect for other cars and drivers on the road and for the money your dad has put into that car you're neither old enough nor good enough to drive. No matter what that driving licence says.

You're starting to drive in an age when cars are built stronger, handle better and drive safer, but even a Sherman tank or an armored Brink's truck can't stand up against some of the dumber drivers and red-hot speeds on Canadian roads today.

You're the country's driving hope. The only real chance motorists and motoring have for the future is that young drivers coming on our roads today will be better, safer, more responsible drivers than their fathers or mothers.

There is no reason why they shouldn't be.

As one teenager, recently quoted in a newspaper, says, "*We teenagers are good drivers. The only trouble is that because we're so good, some of us get too sure of ourselves and take too many chances.*" Let's look at it this way: The first time you take out the family car on your own, you're boss of thousands of dollars' worth of steel, rubber, aluminum and glass.

It has everything it takes to get you somewhere and back—except a brain.

Don't forget that's the most important thing about driving—and the brain is you.

One dumb driver can cause an accident, but when two dumb drivers meet, there isn't a prayer. You be the smart one.

There are a dozen ways a kid can show he's growing up, but the surest way to judge him is "*Does he drive Grown-Up Style—really grown-up?*"
